Ramp and Shoulder Closures on SB Dan Ryan at 35th Street for DMS Sign Repairs

CHICAGO – The Illinois Department of Transportation (IDOT) announced that ramp and shoulder closures will take place on the southbound Dan Ryan Expressway (Interstate 90/94) at 35th Street, in Chicago, weather permitting, Thursday, May 25. The closures are necessary to perform repairs on the overhead Dynamic Message Sign (DMS).

Starting at 9 a.m. Thursday, the entrance ramp from 35th Street to the Dan Ryan Expressway will be closed until 2 p.m. Motorists should continue on southbound Wentworth Avenue to access the southbound Dan Ryan at the Pershing Road/39th Street entrance ramp. The right shoulder also will be closed in the southbound Dan Ryan local lanes.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
